

ECE LESSON PLAN

Early Learning goals (*What outcomes does this activity support?*) (CK)

Activity (*How does this support how children learn?*) (PK)

Extension

ICT Resources (*What tool are you using and what tech skill is being developed?*) (TK)

ICT Levels of Differentiation

Want help connecting your plans to your digital pedagogy journey?

In the ICT in Education Teacher Academy, members use the TPACK radar chart and Success Path in the workbook to track growth, reflect, and plan their next step.

This activity could be a sign you're working at the Adoption or Adaptation stage—want to know how to grow further?

Lesson Procedure: How will it develop?

Introduction:

Main Activity:

Group work:

Independent practice:

Critical Reflection ([Academy resource](#)).

Instructions

Observation and Assessment Table

Higher Order Thinking Skills	Computer Skills	KLAs

Want lesson plans like this already written and aligned to the EYLF and digital pedagogies?

Want planning tools that help you track your progress as an educator using technology?

👉 These are all included in the ICT in Education Teacher Academy.
